

Welcome

Before we get started

1. Today's webinar is scheduled to last 1 hour including Q&A
2. Click the CC button for Closed Captions
3. BSL interpretation is available
4. This webinar is being recorded and will be available on the website alongside additional resources within 7 days
5. Say hello in the chat (select "Everyone" from the dropdown) and ask questions using the Q+A button. You can also use the reaction buttons! 🤔 🎉 😊

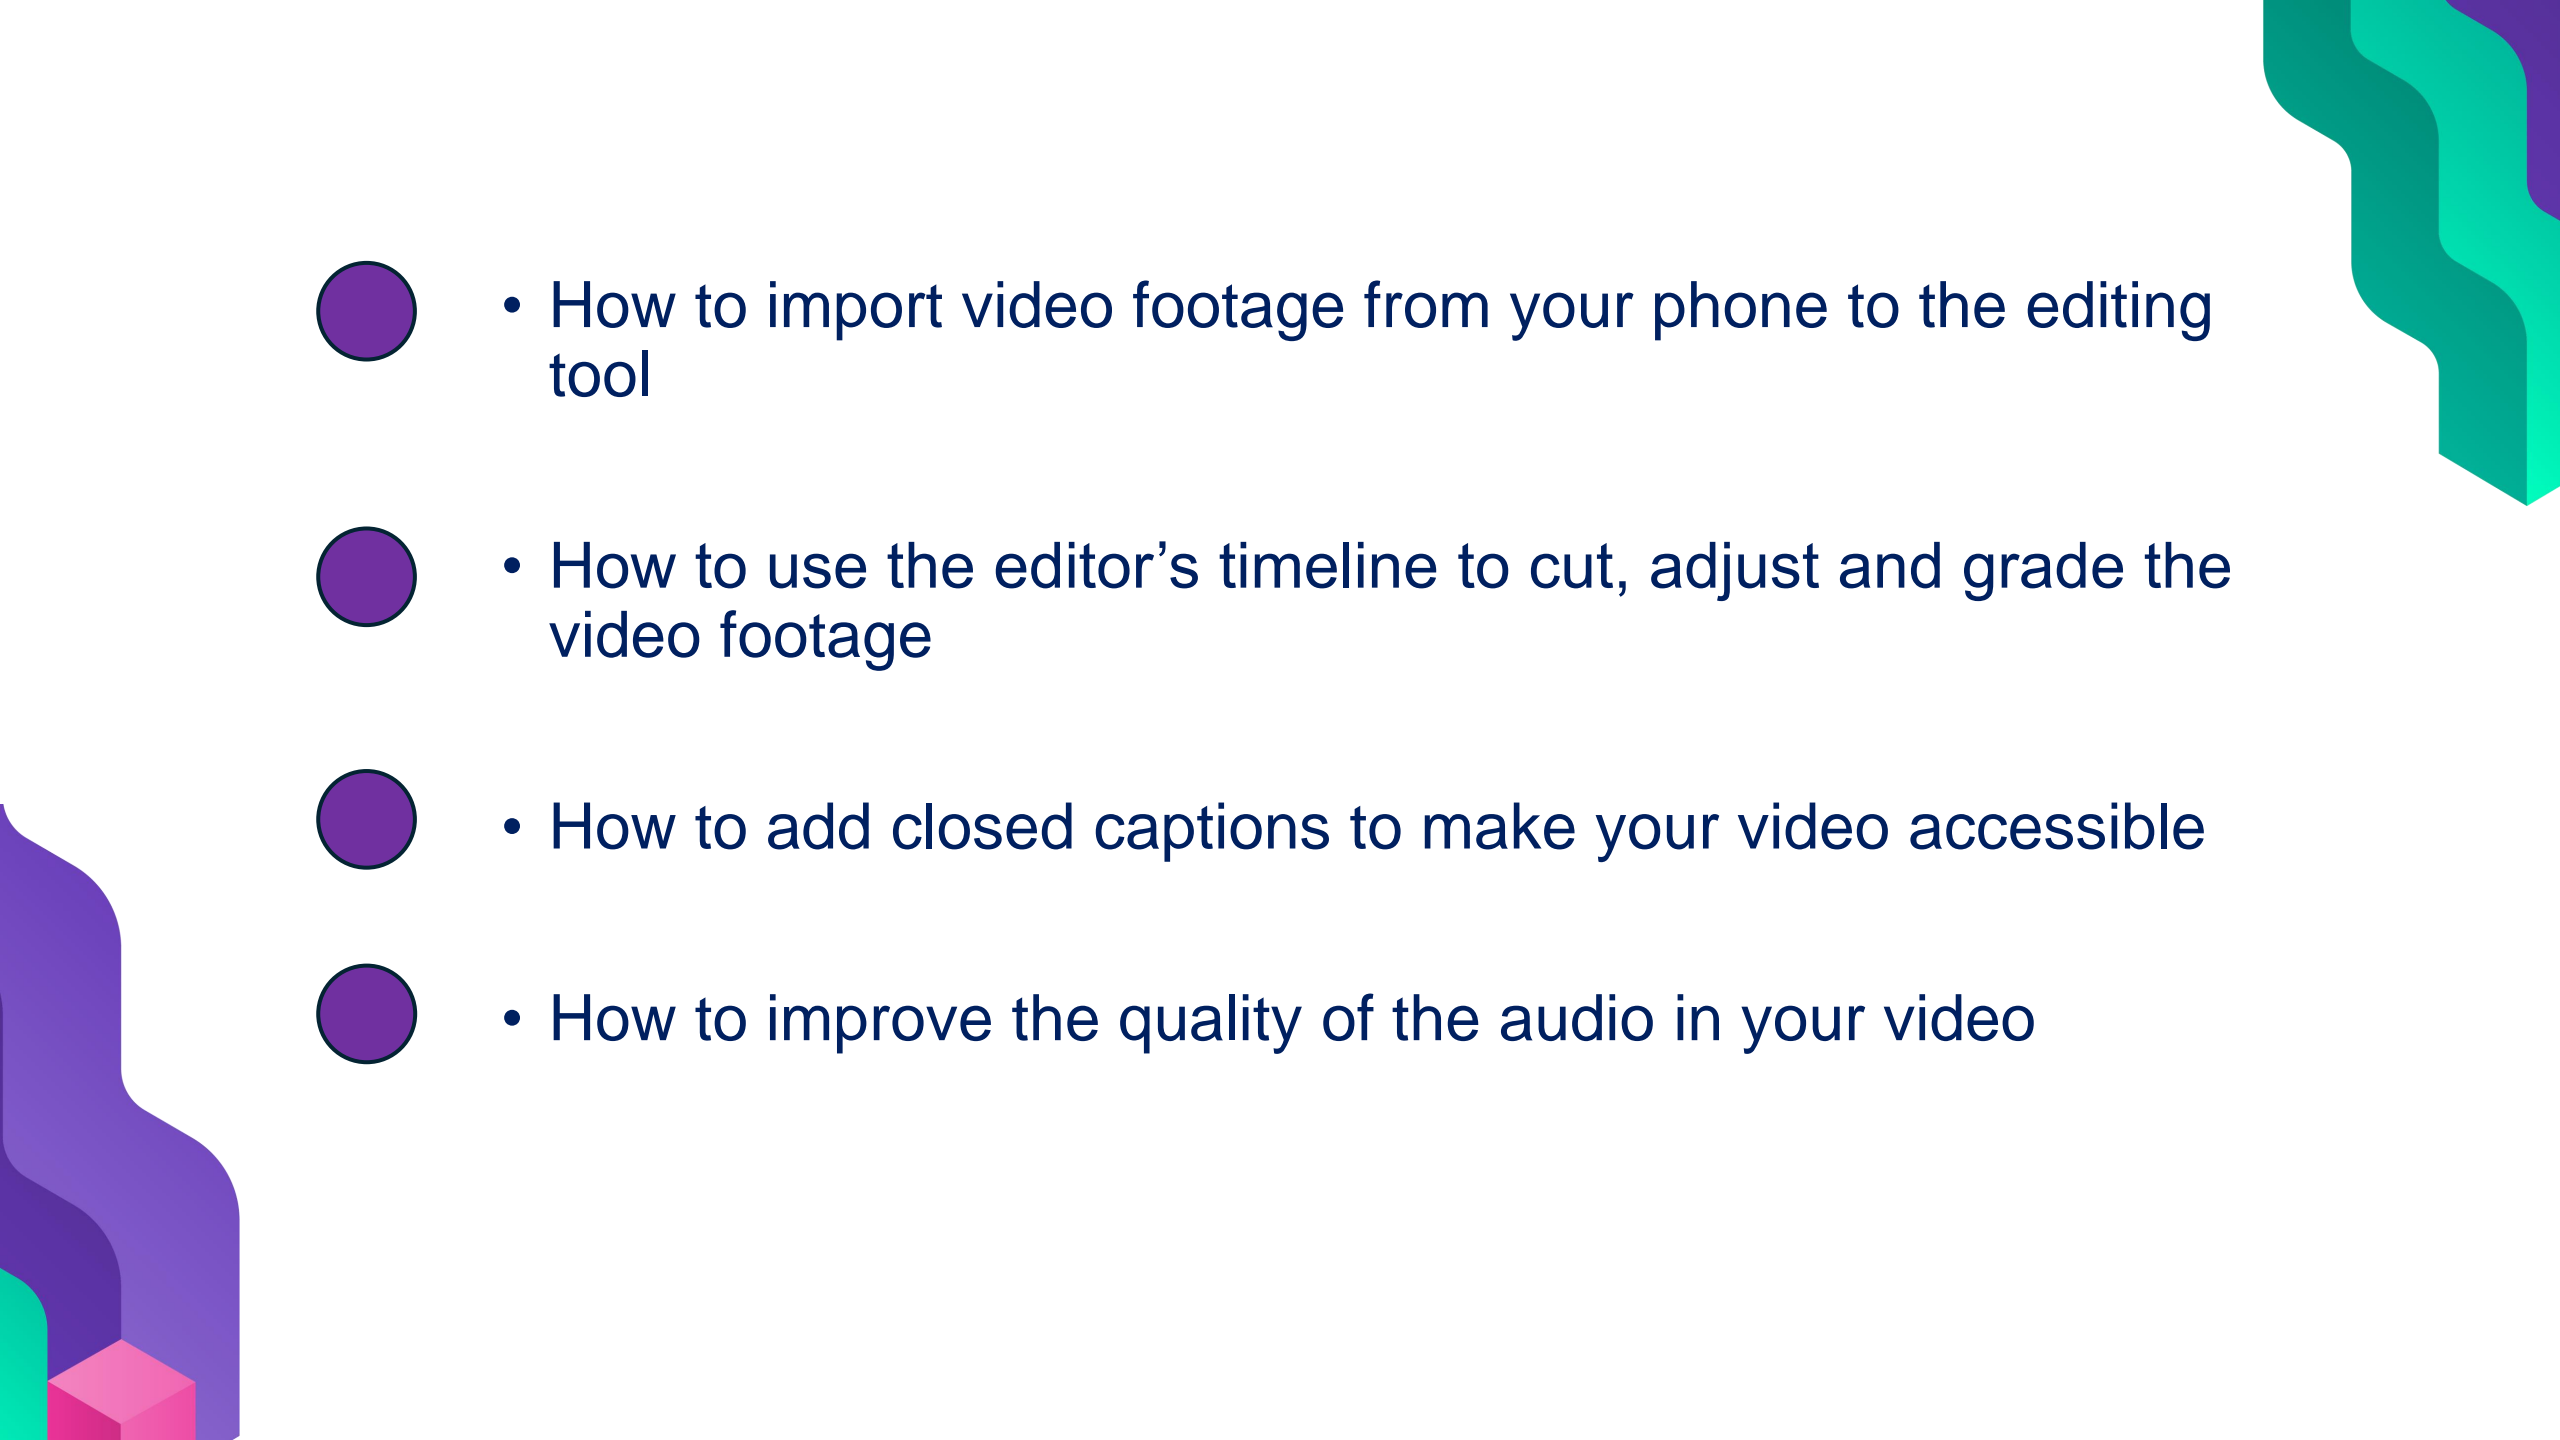

Edit it yourself: A practical guide to video editing

- **Dean Shaw Content Tech Champion**

**Digital Culture
Network**

- 
- How to import video footage from your phone to the editing tool
 - How to use the editor's timeline to cut, adjust and grade the video footage
 - How to add closed captions to make your video accessible
 - How to improve the quality of the audio in your video

Stay connected to get updates about our upcoming features:

IMPORTANT

Audio productions will be removed

+ Create a new Production [?]
Each [Production](#) represents one processed audio or video file.

+ Create a new Multitrack Production [?]
Every [Multitrack Production](#) processes multiple parallel audio tracks and creates the final mixdown automatically.

+ Create a new Batch Production [?]
A [Batch Production](#) allows you to start multiple [Productions](#) with an existing [Preset](#).

- **Additional resources:**

In our follow up email we will include a walk through of the desktop process.

This webinar will be available on our YouTube channel with chapters to the various parts of the process.

And I'm here for one-to-one support on your content creation journey. For free!
